

Dead Animal Cart

Roof-trailer-manual stainless steel flat

Product code	001
Specification code	00123
Primary category	Farm Transport and Handling Equipment
Secondary category	Animal Carcass Transport Carts

This dead-stock transport cart is designed for short-distance farm transport and handling in pig farms. It uses stainless steel construction or components suited to routine farm use.

Features

- Material: stainless steel.
- Corrosion-resistant construction is suited to humid livestock environments.
- The design is easy to clean and maintain.

Advantages

- Corrosion resistance supports long service in humid farm environments.
- Simple maintenance helps lower routine service requirements.
- No external electrical power is required for normal operation.

Description

Suitable for routine use in livestock farms, pig houses. Inspect the frame, wheels and load-bearing parts before use, load the unit evenly and avoid exceeding the selected model's rated capacity. Clean and disinfect the equipment after use where required.
