

Dead Animal Cart

Rottler, dead pig -- electric

Product code	001
Specification code	00129
Primary category	Farm Transport and Handling Equipment
Secondary category	Animal Carcass Transport Carts

This dead-stock transport cart is designed for routine handling of pigs.

Features

- Electric drive supports efficient and consistent operation.
- Purpose-built structure for routine use as a dead-stock transport cart.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Improves day-to-day operating efficiency.
- Simple maintenance helps lower routine service requirements.
- Stable construction supports reliable routine operation.

Description

Suitable for short-distance farm transport and handling for pigs. Inspect the frame, wheels and load-bearing parts before use, load the unit evenly and avoid exceeding the selected model's rated capacity. Clean and disinfect the equipment after use where required.
