

Pig Muzzle

Plastic pig mouth.

Product code	120
Specification code	1208
Primary category	Pig Farming Equipment
Secondary category	Pig Farm Tools

This pig muzzle is designed for livestock-house ventilation in pig farms. It uses plastic construction or components suited to routine farm use.

Features

- Material: plastic.
- Purpose-built structure for routine use as a pig muzzle.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Simple maintenance helps lower routine service requirements.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.
- Suitable for regular use in commercial farm environments.

Description

Suitable for short-distance farm transport and handling for pigs, sows. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
