

Stainless Steel Pig Hanging Rack

Stainless steel.

Product code	137
Specification code	1371
Primary category	Pig Farming Equipment
Secondary category	Pig Farm Tools

This stainless-steel pig hanging rack is designed for routine use in pig farms, processing and slaughter areas. It uses stainless steel construction or components suited to routine farm use.

Features

- Product name: stainless-steel pig hanging rack.
- Material: reinforced stainless steel.
- Length: 54cm.
- Material: stainless steel.
- Reinforced construction improves durability for routine farm use.
- Corrosion-resistant construction is suited to humid livestock environments.

Advantages

- Improves day-to-day operating efficiency.
- Simple maintenance helps lower routine service requirements.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.

Description

Suitable for routine use in pig farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
