

Humane Animal Stunner

stainless steel stinger -- charger -- warehouse

Product code	024
Specification code	0243
Primary category	Pig Farming Equipment
Secondary category	Pig Farm Tools

This animal euthanasia device is designed for routine use in pig farms, livestock farms, ranches and livestock farms. It uses stainless steel construction or components suited to routine farm use.

Features

- Material: stainless steel.
- Portable construction makes transport and field use easier.
- Purpose-built structure for routine use as a animal euthanasia device.
- Simple construction supports convenient installation, operation and maintenance.

Advantages

- Improves day-to-day operating efficiency.
- Corrosion resistance supports long service in humid farm environments.
- Simple maintenance helps lower routine service requirements.
- Flexible operation makes the product easier to use in different farm areas.

Description

Suitable for routine use in livestock farms. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
