

Humane Animal Stunner

Animal strangler - 10 m power line

Product code	024
Specification code	0247
Primary category	Pig Farming Equipment
Secondary category	Pig Farm Tools

This animal euthanasia device is designed for routine use in livestock farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Purpose-built structure for routine use as a animal euthanasia device.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Improves day-to-day operating efficiency.
- Simple maintenance helps lower routine service requirements.
- Flexible operation makes the product easier to use in different farm areas.

Description

Suitable for routine livestock-farm operations. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
