

Piglet Care Cart

Yocto.

Product code	026
Specification code	0263
Primary category	Pig Farming Equipment
Secondary category	Piglet Care Equipment

This piglet care cart is designed for short-distance farm transport and handling in pig farms, nursery houses. Its practical structure is intended for reliable day-to-day operation.

Features

- Material: metal.
- Integrated wheels facilitate movement and repositioning.
- Purpose-built structure for routine use as a piglet care cart.
- Simple construction supports convenient installation, operation and maintenance.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Flexible operation makes the product easier to use in different farm areas.

Description

Suitable for short-distance farm transport and handling in pig farms. Inspect the frame, wheels and load-bearing parts before use, load the unit evenly and avoid exceeding the selected model's rated capacity. Clean and disinfect the equipment after use where required. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
