

Manure Scraper

Scrapboard - Large 60*13cm

Product code	505
Specification code	5053
Primary category	Manure and Waste Management
Secondary category	Manure Removal Equipment

This manure scraper is designed for routine use in livestock farms, pig houses. It uses manganese steel construction or components suited to routine farm use.

Features

- Material: manganese steel.
- Purpose-built structure for routine use as a manure scraper.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Simple maintenance helps lower routine service requirements.

Description

Suitable for cleaning and sanitation work in pig houses. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use.
