

Ear Tag Pliers

Earpliers - One-Cows - Yellow

Product code	798
Specification code	00725
Primary category	Pig Farming Equipment
Secondary category	Pig Identification Equipment

This livestock ear tag applicator is designed for animal identification and ear-tagging in cattle farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Spring-return construction supports convenient repeated operation.
- Purpose-built structure for routine use as a livestock ear tag applicator.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Simple maintenance helps lower routine service requirements.
- Stable construction supports reliable routine operation.
- Compact portability makes transport and storage easier.

Description

Suitable for animal identification and ear-tagging for cattle. Check the product, installation points and connecting components before use. Operate according to the selected model and farm procedure, clean the equipment regularly, and replace worn parts when necessary.
