

Pig Drinker

High-quality pork-based food package (a pair of water basins fixed)

Product code	828
Specification code	08017
Primary category	Pig Farming Equipment
Secondary category	Pig Drinking Equipment

This pig drinking equipment is designed for animal drinking-water management, water-supply management in pig farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Material: stainless steel.
- Automatic operation helps reduce repetitive manual work.
- Corrosion-resistant construction is suited to humid livestock environments.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Simple maintenance helps lower routine service requirements.
- Stable construction supports reliable routine operation.
- Helps reduce unnecessary material or resource waste.

Description

Suitable for animal drinking-water management in pig houses. Confirm that pipe sizes, water supply and connections match the installation requirements. Check for leaks and proper flow after installation, and clean water-contact parts regularly to maintain hygienic and stable operation.
