

Stainless Steel Feeder

stainless steel troughs - fattening of 8 km 2.4 m

Product code	836
Specification code	11211
Primary category	Pig Housing Equipment / Pig Farming Equipment
Secondary category	Pig Feeding Equipment

stainless steel troughs - fattening of 8 km 2.4 m is designed for reliable, efficient use in livestock farms and agricultural projects.

Features

- Practical, durable construction for routine livestock-farm use.
- Configuration supports straightforward operation, cleaning and maintenance.
- Suitable for common farm workflows and equipment layouts.
- Specifications can be configured according to the selected model and project requirements. Key source specifications: 8 nozzles.

Advantages

Helps improve operating efficiency, reduce manual workload and support consistent farm management. Its practical construction is easy to use and maintain, making it suitable for commercial farms, distributors and agricultural projects.

Description

Suitable for livestock farms and agricultural projects. Before use, confirm the selected model, installation conditions and operating requirements. Inspect and clean the product regularly and follow the supplied specifications for model-specific parameters.
