

Piglet Teeth Grinder

Electronly-reducing agglomeration.

Product code	090
Specification code	0901
Primary category	Pig Farming Equipment
Secondary category	Piglet Care Equipment

This piglet tooth grinder is designed for routine use in pig farms. Its practical structure is intended for reliable day-to-day operation.

Features

- Electric drive supports efficient and consistent operation.
- Purpose-built structure for routine use as a piglet tooth grinder.
- Simple construction supports convenient installation, operation and maintenance.
- Designed for regular use in livestock-production environments.

Advantages

- Improves day-to-day operating efficiency.
- Reduces manual workload and repetitive handling.
- Simple maintenance helps lower routine service requirements.
- Stable construction supports reliable routine operation.
