- Designed for regular use in livestock-production environments.

Преимущества

- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.
- Suitable for regular use in commercial farm environments.

Описание

Suitable for routine livestock-farm operations. Inspect the tool and working surfaces before use and clean or disinfect them as appropriate. Operate with suitable restraint and trained handling practices, then clean, dry and store the tool after use. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
