This feed scoop is designed for livestock feeding management, feed handling and feeding management in pig farms, cattle farms, sheep farms.

خصوصیات

- Product type: feed scoop.
- Material: plastic.
- Purpose-built structure for routine use as a feed scoop.
- Simple construction supports convenient installation, operation and maintenance.

فوائد

- Improves day-to-day operating efficiency.
- Supports efficient day-to-day livestock management.
- Practical construction simplifies routine operation and maintenance.
- Suitable for regular use in commercial farm environments.

وضاحت

Suitable for feed handling and feeding management, short-distance farm transport and handling, cleaning and sanitation work in livestock farms. Install the unit securely according to the feeding-system layout and avoid overloading or blockage. Remove residual feed and inspect moving or connecting parts regularly to maintain stable operation. Final dimensions, configuration and operating limits should be confirmed against the actual ordered product.
